Introduction

In this publication, Statistics Centre - Abu Dhabi (SCAD) is providing statistical estimates of Non-Profit Institutions Serving Households (NPISH's) in the Emirate of Abu Dhabi for 2013. Official statistics provide current, accurate and objectives data as one of the most important pillars of a sustainable comprehensive planning and development process that supports decision-making. It contribute to the achievement of the Emirate's development objectives and vision and also fill the gap in the data related to this sector, which is the fifth sector of the system of national accounts.

NPISH's are non-government institutions such as charities, sports and cultural clubs, theaters, public libraries, women, children and family welfare societies, and Holy Quran memorization societies that provide goods or services (outputs) to households for free or at prices that are not economically significant.

The data sources used to estimate the NPISH sector were:

- Statistics and the actual data obtained from the Ministry of Social Affairs in the form of administrative records for 2013.
- Data from the clubs operating in the Emirate of Abu Dhabi after contacting them directly.
